

CRAFTSMANSHIP

Maxx's defined legs and premium look were made with you in mind. Crafted from fine materials to create the perfect workstation.

PERSONALIZE

Fully customizable to fit your needs, Maxx is a workstation that performs exceptionally well.

CHARACTER

Enhance your workplace with Maxx's squared legs and natural finishes that can give your office a timeless look.

WORKTOP

Made of 25mm melamine particle board finished with 2mm PVC edging to match the surface, enhanced with fine crafted triangular undertable profile

CABLE MANAGEMENT

Designed to fulfill your need to easily connect the equipment on your desk to the data-voice network, and power-supply. Available in three options: simple cable tray system, wooden flipper, and removable wooden cover.

LEG

Aesthetic expression of the understructure made of rectangular steel profile covered by wood, with foot adjuster up to 10mm.

CREDENZA

Provided space for cabling solutions, with removable back panel for easy handling.
